**As members of the American Hosta Society Growers Association, Dogwood Farm makes every effort to provide plants free of diseases and pests to our customers.** However, once a plant leaves the nursery, we can no longer control its care and environment. For that reason **we guarantee our plants for a period of 1 month from date of purchase.** If you suspect a plant is not healthy, please contact us as soon as possible about the problem. If you wish, **return the sick or dead plant to us with your receipt of purchase for replacement or reimbursement** of your purchase price.

Along with your plant comes our assurance that you can contact us at any time during the year with questions about the care of your plants and their performance in your garden. We will do everything within our power to keep our customers satisfied with our products.

**Mail Order or Web Purchases --** All hostas offered for sale in our nursery are potted and are either divisions of mature plants from our potted nursery stock or tissue-cultured plants grown in our nursery from the previous season. Orders requiring shipment to customers will be selected from plants offered for sale in our nursery area. We will select the best potted plant available from the nursery, remove all soil, and package bare-root to retain moisture around the root zone.

**Shipping** We normally ship USPS Priority Mail with insurance and delivery confirmation. Minimum shipping is \$ 10, which should cover about 4 dwarf or small hostas OR up to 3 medium OR 2 large hostas OR 1 giant hosta. Please use the following chart to estimate shipping charges for your plant, or if you wish request that we bill your credit card for actual shipping charges on your order.

<b>Hosta Size</b>	<b>Estimated Shipping Cost Per Plant</b>
Dwarf	\$ 2.50
Small	\$ 3.00
Medium	\$ 3.50
Large or Very Large	\$ 4.50
Giant	\$ 6.00
<b>Remember that the minimum shipping cost is \$10.</b>	<b>Larger orders of varying sizes of plants should be estimated according to the prices in this column.</b>

Dogwood Farm accepts checks, cash, Discover, American Express, Mastercard, and VISA.
